Subject: rezoning of 425 S. Main Street

As a property owner at 444 South Main Street, and as an interested citizen, I support rezoning 425 South Main Street from D1 to D2 zoning. I do not want to see a 180 foot tall building at the corner of Williams and Main Street. That is entirely out of character for the historic buildings in the block of Main street to the north, and would tower over neighborhood buildings, including my 3 story office building which dates back to about 1900. I don't expect to attend the hearing but wanted to register my opinion on this rezoning.

Thanks for the notice postcard with the helpful map!
