RE: FOIA REQUEST

Dear Mr. Barton,

A Freedom of Information Act (FOIA) request was received from you by the Ann Arbor Downtown Development Authority on Tuesday, February 18, 2025 in which you requested:

"I am requesting the total quantifiable amount of money paid into metered parking spot 1700 on December 03, 2024."

Your FOIA request is denied as there are no records in possession of the DDA that match your request.

In the event you do not believe that an appropriate response has been made to your request, you may either submit an appeal specifically containing the word "appeal" to the DDA board, the head of the public body, identifying the reason for your appeal, or you may seek judicial relief pursuant to Section 10 of FOIA. Section 10 provides that attorney's fees and damages may be available to you if your judicial appeal is successful. DDA FOIA Policy documents are available on the DDA website for your use <https://www.a2dda.org/foia/>.

Sincerely,

Maura K. Thomson
Executive Director
