

Re 819 Russett Renovation Plans

To

Cc Ann Arbor Zoning Board

I have been asked to write a letter of support regarding the renovation plans at 819 Russett Rd. I am flattered to receive this request. After thinking about this I feel that I am not qualified to comment on this project. At the current time the house is not in my line of vision nor does it have any impact on my view or property. If the plans are approved it will impact the roof line in the neighborhood, blocking sun from some yards, but again that will have little impact on my life or yard.

Thank you for requesting my opinion. I am sure there are neighbors surrounding the project who will be impacted and their opinion should be considered over mine.

Sincerely Yours,
Linda A. Prieskorn
