Hi Tiffany,

I hope you're doing well. I'm reaching out to let you know that I'd like to resign my position from the EDFC.

I'd also like to apologize for missing yesterday's meeting again. This has been a very challenging semester in school regarding my mental health and well-being, and I've had to cut back on my other obligations too, not just EDFC. And I don't want to hold onto a spot that could otherwise be given to someone who can fully commit to making the meetings.

It has been such a pleasure working with you and the other members of the EDFC. Your passion for local government is inspiring, and I wish you all the best.

Thank you,  
Sam
