Any person who is aggrieved by this COC may file a sworn petition with the Michigan Administrative Hearing System within the Department of Licensing and Regulatory Affairs, c/o the Michigan Department of Environment, Great Lakes, and Energy setting forth the conditions of the COC that are being challenged and specifying the grounds for the challenge. The Michigan Administrative Hearing System may reject any petition filed more than 60 days after issuance as being untimely.

The issuance of this COC does not authorize violation of any federal, state, or local laws or regulations, nor does it obviate the necessity of obtaining such permits, including any other Department of Environment, Great Lakes, and Energy permits, or approvals from other units of government as may be required by law.

This COC is based on an application received on December 31, 2025, completed on February 1, 2026, as amended through May 12, 2026. The permittee is subject to the conditions specified in General Permit No. MIG080000, issued October 30, 2024, expiring April 1, 2030. This COC may be modified, terminated, reissued, or revoked as allowed for in General Permit No. MIG080000.

This COC and the authorization to discharge shall expire at midnight on **April 1, 2030**. In order to receive authorization to discharge beyond the date of expiration, the permittee shall submit an application that contains such information, forms, and fees as are required by the Department by **October 1, 2029**.

**This COC takes effect on the date of issuance.**
