MTW Supplement for PHA Fiscal Year Beginning : (MM/DD/YYYY): 7/1/2026

PHA Program Type: Combined

MTW Cohort Number: Landlord Incentives

MTW Supplement Submission Type: Annual Submission

B. MTW Supplement Narrative.

The Ann Arbor Housing Commission is deeply committed to providing excellent housing opportunities to current and future residents of Washtenaw and Monroe Counties. Within our jurisdiction exists immensely diverse communities, ranging from the dense urban centers of Ann Arbor and Ypsilanti, to the more sparsely populated townships of Superior and Scio. Many of these neighborhoods are complimented by strong school systems, low poverty rates, and desirable housing, while other neighborhoods are challenged by limited public services and diminishing economic opportunity. As a Moving To Work agency, we hope to increase housing choice in some of our highest opportunity and more economically exclusive communities. It is our belief that the MTW program will aid in our efforts to increase housing stability for our most vulnerable community members and allow us to establish long-term relationships with private sector housing providers. As AAHC continues to take major steps towards developing new affordable housing, our MTW activities will serve as an additional tool to provide more desirable housing for those most in need.

Cost Effectiveness:

AAHC is eager to employ the funding and programmatic flexibility that MTW provides in order to more efficiently utilize its federally allocated funds. Our administrative processes, supportive services, and development projects will all benefit from MTW allowances and activities. The AAHC is actively partnering with local nonprofits, public agencies and local governments to increase the supply of affordable housing in the City of Ann Arbor, Washtenaw County, and Monroe County through financial tools, development of affordable housing on public property, project-based vouchers, zoning regulations and other public policy tools.

Self-Sufficiency:

AAHC partners with many local non-profits, mainstream service providers, and the private sector to build healthy residential communities and promote an atmosphere of pride and responsibility. The AAHC has contracts with 7 non-profit agencies to provide on-site support service to tenants who live in AAHC properties. Including partnerships to provide eviction prevention services to all the AAHC's voucher tenants. AAHC aims to continue its supportive services efforts in preventing eviction and providing housing stability.

Increasing Housing Choice:

Low-Income residents in Washtenaw County have limited opportunities for mobility due to the high housing costs throughout the county, especially in high opportunity areas. The MTW designation can help the AAHC provide more numerous and more desirable choices through higher payment standards and landlord incentives to expand our pool of participating landlords. HUD has recognized a growing number of populations with specific needs that often go unmet by the existing housing infrastructure. AAHC's goal is to develop programs and housing stock targeted to the most underserved populations. In pursuit of this goal, we currently administer several special purpose voucher programs in addition to the Housing Choice Voucher and Project Based Voucher programs.
