RE: Screened porch proposal for 580 Liberty Pointe Dr.
DATE: 10/29/14

This is my letter of approval for my neighbors to build a screened area on their deck next to my unit. I am assuming there will be no infringement or change to the integrity of my unit by this construction.

A Liberty Oaks Condo board member has seen plans for the screened porch and has no problem,

The owners in the adjoining units of 580 have no objection regarding the screened porch.

The owners of the units on the east side of 580 have no objection.
