City of Ann Arbor, Michigan  
HISTORIC DISTRICT COMMISSION  
Addendum to application for:  
Hall Residence HDC Submission

Dear Sirs/Madames,

We are writing to express our support for the addition to the home located at 620 Second St. We have seen the drawings indicating the size and placement of the proposed addition. It is our feeling that the addition will in no way be a detriment to the Old West Side Historic District and we have no objections to this project.

Sincerely,
