Mayor Taylor and Ann Arbor City Council Members,

I want to clarify that despite her utilization of a umich.edu email address, Ms. Koykka O'Neal does not in any way represent the university. Further, I do not know Ms. Koykka O'Neal and do not know why she included me in her message to you.

Thanks for your attention to this matter.

Michael

To All:

I have attended the meetings of the Planning Commission, and heard the numerous public comments at each meeting. Assuming you are willing to consider public input, as you say you are, it is very clear that the Comprehensive Plan, as it is now presented, has some serious flaws. If you wish to gain support, you need to consider the issues presented and not rush forward with a half-baked document.

Responsible elected and appointed government officials should not have a problem with this.

Karen
