City Planning Commission regular meetings are transitioning to a hybrid meeting model. The City of Ann Arbor highly encourages the public to view and participate in public meetings remotely due to the high COVID-19 transmission rate in Washtenaw County. In order to prevent the transmission of COVID-19, protect the health of meeting attendees, minimize the possibility of disrupting the meeting, and thereby promote public participation by creating a safer meeting environment, City Council has established a regulation that all in-person attendees at meetings are required to wear a mask. See the Mask Requirement signage that is posted throughout City Hall. The City of Ann Arbor has existing COVID-19 safety rules that are required of visitors entering city facilities. If you choose to attend a meeting in-person, the following safety rules are expected to be observed. These include:

Masks - Required indoors. Masks are available at the guest services desk in the lobby of Larcom City Hall.

Physical Distancing - Individuals should be physically distanced from one another at least 6 feet.

Illness - Anyone diagnosed with COVID-19, who has symptoms of COVID-19, or has had recent close contact with someone with COVID-19, should not attend a public meeting.
