**B-1 - An Ordinance to Amend Section 2:63 of Chapter 29 (Water Rates) of Title II of the Code of the City of Ann Arbor**

**Question:** Q4. For the cost of service study, there were benchmark comparisons of Ann Arbor’s residential water and sewer rates vs. other municipalities (slide 22 of the March 2018 Work Session presentation. Could you please update that chart to reflect current rates in the other municipalities with Ann Arbor’s rates shown before and after the proposed July 1 increases? (Councilmember Lumm)

**Response:** Please find the chart attached to follow up to staff’s May 6 response, “This is not possible within the given question deadline. The amount of research requires a considerable amount of staff time as there is no central repository for current water/sewer rates. Staff will follow-up with requested information.”
