Subject: 1115 Broadway

I am writing to request that the planning commission deny the request for a medical marijuana dispensary permit at the address of 1115 Broadway. We received a postcard from the petitioner several months ago requesting feedback on their request. We were told there would be a public hearing, that as far as I can ascertain, has not happened nor have any of my neighbors or myself been notified of. I found it strange that replies to the notification postcard with requests for more information or opinions went to the petitioner to begin with. I believe this neighborhood has long been neglected by the City of Ann Arbor and now that it looks as if some action on the corner of Maiden Lane and Broadway is about to break ground a medical marijuana dispensary directly across the street seems to be just one more deterrent. Please reconsider your approval of this permit especially with the surrounding neighborhoods and within a historical building (Church).

Sincerely,

Nancy Cummins
