*Damien Farrell, and Kyle Gonzalez, Damien Farrell Design Group, presented the proposed project highlighting:*

- *Close the drive on Miller Avenue*
- *Implement curb planters and street trees*
- *Vapor mitigation system and location*
- *Soil Remediation*

*PUBLIC HEARING:*

*Seeing no speakers, Chair Milshteyn closed the Public Hearing.*

**Moved by Mills, seconded by Weatherbee, that the Ann Arbor City Planning Commission, after hearing all interested persons and reviewing all relevant information, including an accompanying site plan, finds the petition substantially meet the standards in Chapter 55 (Unified Development Code), Section 5.29.5 (Special Exceptions) and Section 5.16.3G (Regulations Concerning Medical Use of Marijuana), and therefore approves the 202 Miller Avenue Special Exception Use for a medical marijuana Provisioning Center. This approval is based on the following findings:**

- 1. The proposed use will be consistent with the D2 (Downtown Interface) District, which provides for commercial and retail activities as well as office and residential uses.**

2. The proposed use will not adversely impact traffic, pedestrians, bicyclists, circulation, or road intersections based on the location. Both Miller Ave. and N. Ashley Street provides adequate access to the site, and the proposed use is consistent with other surrounding uses' traffic impact.

3. Through documentation submitted by the petitioner regarding waste disposal, inventory tracking, security, and other methods of operation of the facility, the provisioning center will be operated in a manner that will not have an adverse impact on the neighboring properties or area, and will not have a detrimental impact on natural features.

This Special Exception Use approval is based on the following conditions:

1. The petitioner obtaining and maintaining both a State of Michigan Medical Marijuana License and a City of Ann Arbor Medical Marijuana Permit, and providing documentation to Planning Services within three years of the City Planning Commission approval date of this petition.

2. The petitioner operating a medical marijuana business at this address within three years of the City Planning Commission approval date of this 3. The petitioner will close the Miller Ave. curb cut, reduce the N. Ashley Curb cut and stripe parking spaces and install bumper blocks as shown on sheet c1.0. The closed curb cuts and parking spaces must be installed by October 31, 2019.

4. The petitioner will maintain the operating hours of 10:00 am to 8:00 pm Monday thru Saturday and 11:00 am to 6:00 p.m Sunday.

5. Occupancy of the building shall be conditional on installation of a vapor mitigation system with indoor air sampling demonstrating no unacceptable exposure to occupants conducted by a qualified environmental consultant.

6. The petitioner shall remove impacted soil in accordance with the letter dated January 8, 2019 by the DEQ.

7. The driveway shall be evaluated for site distance due to the possible conversion to two-way traffic on Ashley Street. And that

**the Ann Arbor Planning Commission approves the attached Site Plan which demonstrates compliance with the applicable Special Exception Use standards.**

*Commissioner Mills asked about order of operations for for eventual opening of a provisioning center.*

*Gonzalez explained that the environmental items will be first, followed by permits for the improvements.*

*Commissioner Gibb-Randall inquired about environmental testing. She also discussed the parking configuration of the site.*

*Keith Gadway, Quantum Environmental, explained that the the goal is to remove as much contamination as possible and that there may be limits without jeopardizing structures.*

*Gonzalez explained that there are two spaces at the site, and that there is a parking structure directly across the street.*

**On a roll call vote, the vote was as follows with the Chair declaring the motion passed.**
