This is in response to a ZBA for a six foot tall opaque fence on 611 Ironwood (ZBA22-2015). We live directly across the street from this residence and face that fence (3313 Dexter Rd). We have no issues with their fence. They are not on a corner, so the fence does not block the view of oncoming traffic, the fence is not unsightly, and the fence provides them backyard privacy, separation from their neighbors, and privacy from busy Dexter Rd. Thus, as neighbors who view this fence daily, both driving and out our front door, we have no problem with this fence.
