Good morning,

I wanted to formally let you know that I am resigning from the ZBA due to a change in my residency. Last night was my last meeting.

I'm sure you don't hear it enough, but you guys do great work. I am one of many people who greatly appreciate all you contribute to the city and I will definitely miss working with you. I'm sure you hear more from the people who hate you than who appreciate you. Just know there are lots of people who appreciate you out there too.

Speaking from someone who works in planning, I do not envy the work that you do in Ann Arbor. It is a great place to live and some of the best planning practice around but I can't imagine all of the things you have to work through being in public service in the City. Thanks for all you do to make AA such a great place to be.

If you ever need anything please let me know. Don't be strangers. Also feel free to contact me professionally if you need anything from another (better) Big10 college town. My work email is gwhitney@cityofeastlansing.com

Go Green!

Best,
Grace Whitney
