Zoning

Board of Appeals meetings have transitioned to a hybrid meeting model. The City of Ann Arbor highly encourages the public to view and participate in public meetings remotely due to the high COVID-19 transmission rate in Washtenaw County. In order to prevent the transmission of COVID-19, protect the health of meeting attendees, minimize the possibility of disrupting the meeting, and thereby promote public participation by creating a safer meeting environment, City Council has established a regulation that all in-person attendees at meetings are required to wear a mask. See the Mask Requirement signage that is posted throughout City Hall. The City of Ann Arbor has existing COVID-19 safety rules that are required of visitors entering city facilities. If you choose to attend a meeting in-person, the following safety rules are expected to be observed. These include:

Masks - Masks will be required for all meeting participants and guests when the local CDC Community Level in Washtenaw County is HIGH. Check the current level for Washtenaw County through the CDC's website.

Physical Distancing - Individuals should be physically distanced from one another at least 6 feet.

Illness - Anyone diagnosed with COVID-19, who has symptoms of COVID-19, or has had recent close contact with someone with COVID-19, should not attend a public meeting.
