

## Homework and Study Guide

To effectively prepare for the October 2017 Transportation Commission meeting please review materials hyperlinked within the meeting agenda.

Additionally, please review materials included and referenced within this study guide. These materials have been compiled to provide background and information to guide Transportation Commission discussion.

---

**CIP Committee Recommendations:** The CIP Committee has prepared revised draft recommendations considering feedback from the August 2017 meeting, feedback submitted via email, and clarification provided through discussion with staff. The Commission will be asked to take action on [CIP Committee Recommendations](#). Review recommendation language in advance to be prepared to take action.

**Crosswalk Ordinance:** At their September 18 meeting, City Council tasked the Transportation Commission with presenting recommendations to the Council's Policy Agenda Committee, related to review of the Ann Arbor Crosswalk Ordinance.

- [Resolution Directing the City Administrator to Review the Ann Arbor Crosswalk Ordinance \(Section 10:148 of Ann Arbor City Code\) \(R-17-361\)](#)
- Staff has begun compiling information related to R-17-361: [Review of infrastructure added since adoption of the 2010 ordinance](#)

**Ann Arbor Station:** The Commission will receive a presentation about the Ann Arbor Station project. A draft resolution will be presented for Commission action, please review project materials in advance to have necessary background and context to take action.

- [Draft Resolution for Commission action](#)
- [Environmental Assessment for Ann Arbor Intermodal Station](#)
- [a2gov.org/annarborstation](http://a2gov.org/annarborstation)

**NOTE:** If you have specific questions about this resolution or additional information needed to take action on this resolution please submit requests and questions to [kcoleman@a2gov.org](mailto:kcoleman@a2gov.org) as soon as possible so that staff can effectively prepare for the October 18 meeting.

**Pedestrian Safety:** A background presentation about the Pedestrian Safety and Access Task Force will include a brief overview of priority recommendations, as identified by the Task Force, please review report linked below for the complete list of

---

recommendations. Staff will provide a brief update on priority recommendation implementation progress. Time spent on this topic during the October meeting will be limited, due to the number of other agenda items. Learn more by exploring the following resources:

- [Pedestrian Safety and Access Task Force Recommendations to City Council](#)
- [Task Force Recommendations Presentation to City Council](#)
- [October 18 Briefing](#) (summary version of recommendations presentation linked above)
