Cyrus Naheedy, PE, RSP¹

Agenda

Ongoing Coordination

AAPS Capital Project Review & Coordination

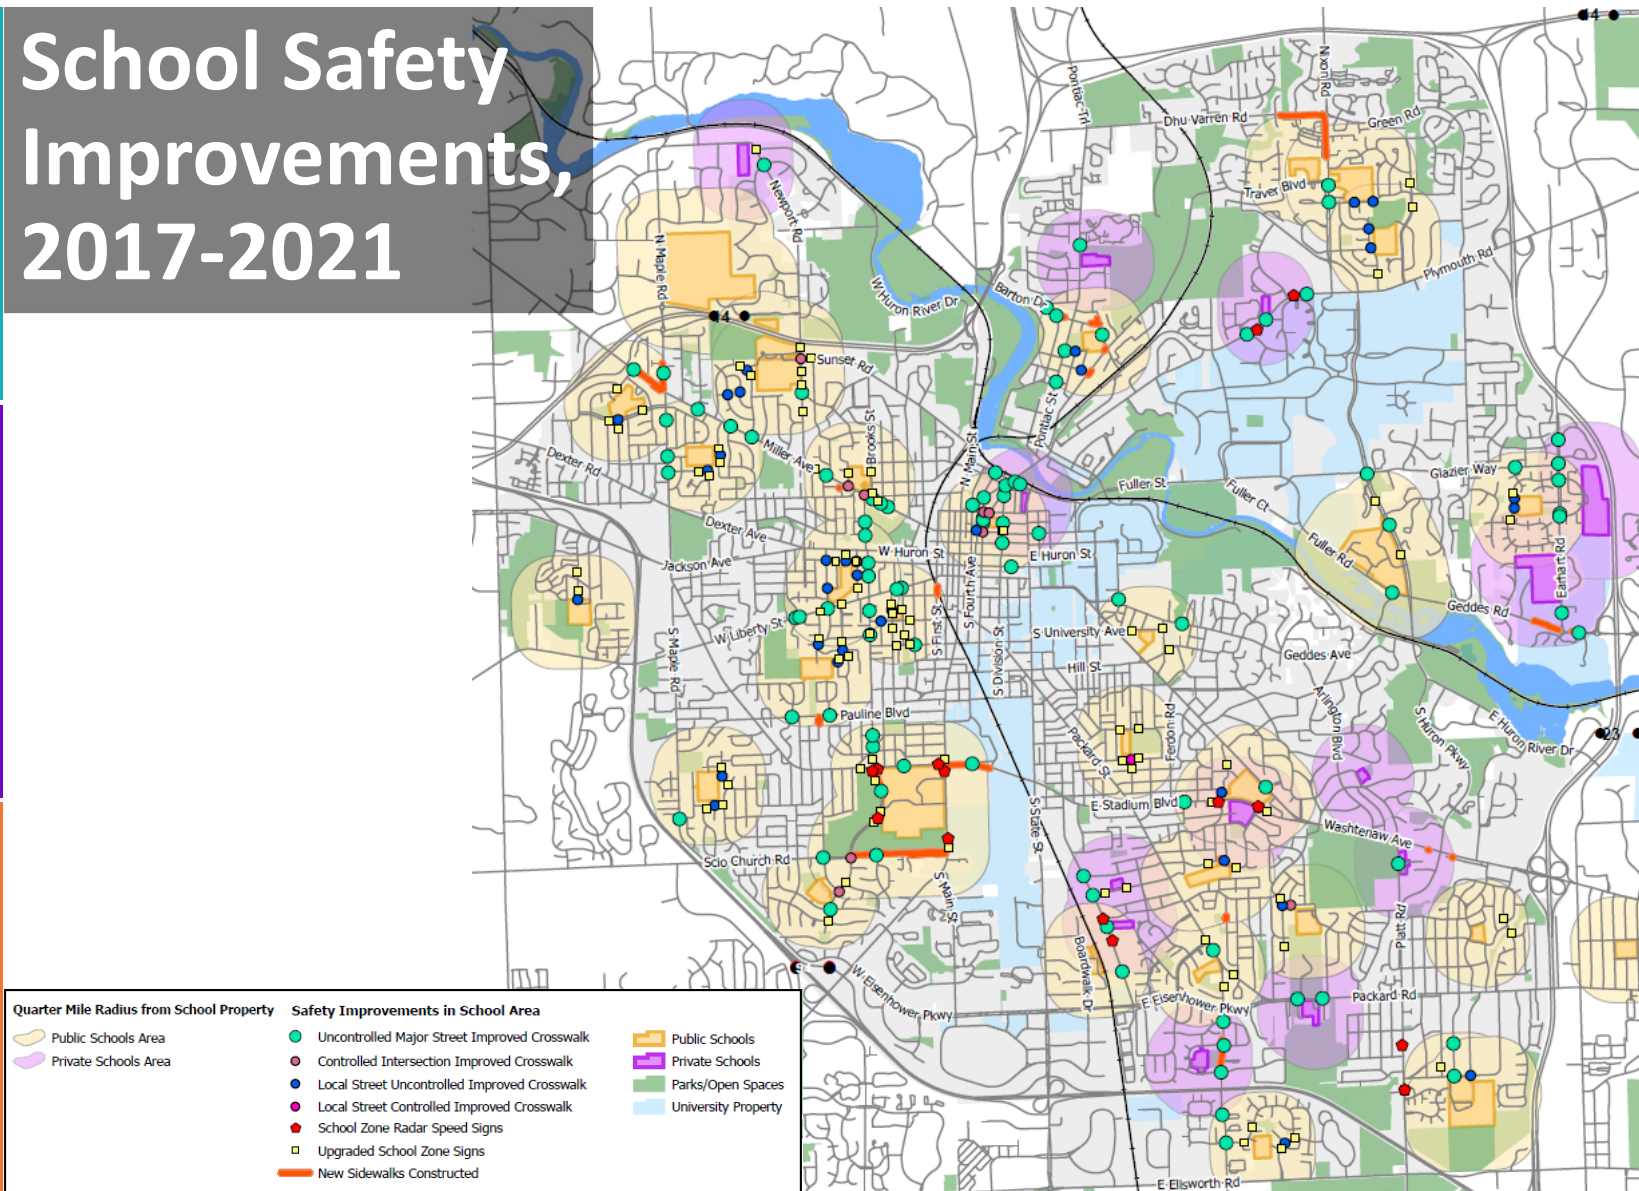

School Traffic Calming

Ongoing Coordination

- Meeting with AAPS staff, Safe Routes to Schools (SRTS) groups
- Installation of signage, implementation of traffic changes
- Incorporating AAPS/SRTS requested improvements into City capital projects

School Safety Improvements, 2017-2021

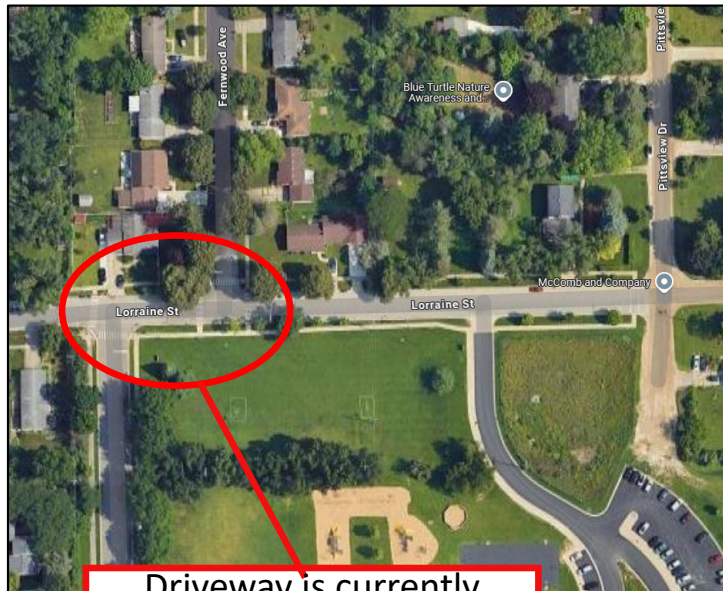

**ANN ARBOR
MOVING
TOGETHER**
TOWARDS VISION ZERO

AAPS Capital Project Review & Coordination

- Reviews of AAPS projects differs from other private developments
- Different levels of coordination (depending on scope of work)

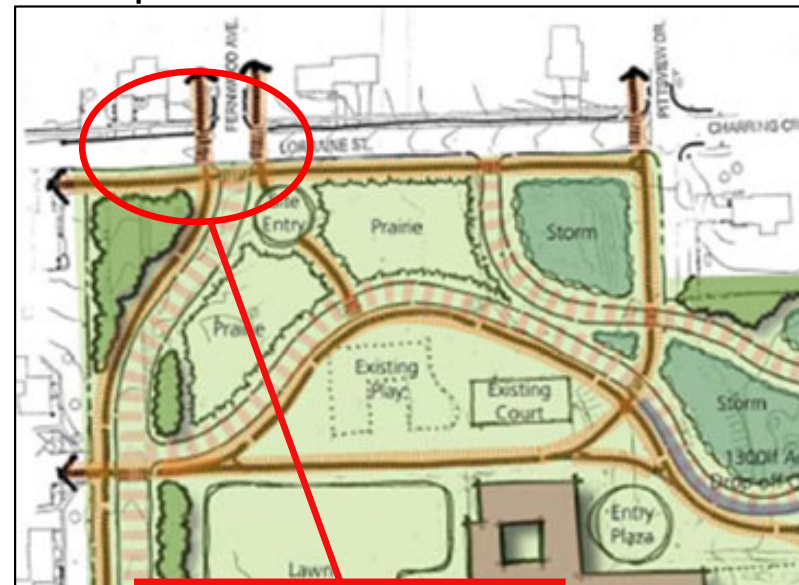

AAPS Capital Project – Scarlett/Mitchell

Existing

Driveway is currently offset from Fernwood – no STOP signs for Lorraine St (E-W traffic) at either

Proposed

To be converted to all-way STOP (and remain a raised intersection)

School Traffic Calming

School Traffic Calming

- From Council Resolution R-23-330:

RESOLVED, City Council directs the City Administrator to develop a school traffic calming toolkit by December 31, 2024; and

- What will this look like?

School Traffic Calming – Themes

Proactive

Equitable

Open Discussion
