STATEMENT OF RETURNS

February 27, 2024 Presidential Primary Election

Dexter Township

Proposal to Renew Dexter Township Fire and Emergency Services Millage

In 2018 the voters of Dexter Township approved a 5 year 2.4 mill Fire and Emergency Services millage to continue to provide fire and emergency services in Dexter Township. That millage expired on December 31, 2023. To continue to provide revenue for the provision of Fire and Emergency Services, the Township is permitted by law to seek a renewal of the expired millage. This renewal will not increase the millage rate that was imposed in 2023 for fire and emergency services.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Township of Dexter, Washtenaw County, Michigan, be increased by \$2.3543 per \$1000 of taxable value (2.3543 mill) for a period of five (5) years, 2024 through 2028 inclusive, as a renewal of a previously voter authorized millage that expired on December 31, 2023 to provide funds for all lawful fire and emergency services including personnel, equipment and facilities? It is estimated that 2.3543 mill would raise approximately \$1,160,576.04 when first levied in 2024.

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Plymouth-Canton Community Schools

Operating Millage Renewal Proposal

This renewal proposal will allow the School District to continue charging up to 18 mills of operating tax on most non-homestead properties including commercial properties, just like it was approved in 2014, and will expire in 2024. This tax levy does not apply to principal residences (homesteads) or other exempt properties. If there are future Headlee reductions of up to 4 mills, the School District can still charge up to 18 mills, ensuring that the School District will continue to receive the full money amount for each student allowed by the State.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Plymouth-Canton Community Schools, Counties of Wayne and Washtenaw, State of Michigan, be increased, in the amount of 22 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of twenty (20) years, 2025 to 2044, inclusive with 19.0541 mills of the above 22 mills being a renewal of authorized millage which will otherwise expire with the 2024 levy and 0.9459 mills being a restoration of previously authorized millage lost as a result of the reduction required by the Michigan Constitution? This operating millage if approved and levied, would provide estimated revenues to the School District of \$33.5 million during the 2025 calendar year, to be used for general operating purposes.
