

March 18, 2024

Ms. Sara McCallum
City of Ann Arbor
Downtown Development Authority
150 South Fifth Avenue
Suite 301
Ann Arbor, MI 48104

Enclosed is the engagement letter for the **City of Ann Arbor Downtown Development Authority** for the year ended June 30, 2024. *Government Auditing Standards* (as amended) require that we communicate, during the planning stage of an audit, certain information to the Board of Directors. This information includes the auditors' responsibilities in a financial statement audit, including our responsibilities for testing and reporting on compliance with laws and regulations and internal control over financial reporting. The engagement letter includes the items which must be communicated to the Board of Directors.

Therefore, please make copies of the attached engagement letter and forward the copies to Board of Directors.

Please sign and return the enclosed copy of the attached engagement letter to us at your earliest convenience.

Sincerely,

A handwritten signature in black ink that reads "Rehmann Lobson LLC". The signature is written in a cursive, flowing style.

Enclosures

March 18, 2024

To the Board of Directors
City of Ann Arbor
Downtown Development Authority
150 South Fifth Avenue
Suite 301
Ann Arbor, MI 48104

We are pleased to confirm our understanding of the services we are to provide **City of Ann Arbor Downtown Development Authority** (the "DDA") for the year ended June 30, 2024.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities and each major fund, including the disclosures, which collectively comprise the basic financial statements of the DDA as of and for the year ended June 30, 2024. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI) such as management's discussion and analysis (MD&A), to supplement the DDA's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the DDA's RSI in accordance with auditing standards generally accepted in the United States of America ("GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion nor provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Budgetary Comparison Schedules

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions as to whether the DDA's basic financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the basic financial statements taken as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 2

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The reports on internal control and compliance will each include a paragraph that states that the purpose of the report is solely to describe the scope of testing of internal control over financial reporting and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance and that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the DDA is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

The concept of materiality is inherent in the work of an independent auditor. An independent auditor places greater emphasis on those items that have, on a relative basis, more importance to the financial statements and greater possibilities of material error than with those items of lesser importance or those in which the possibility of material error is remote.

Auditors' Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the DDA and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the DDA or to acts by management or employees acting on behalf of the DDA. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 3

auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

We have advised the DDA of the limitations of our audit regarding the detection of fraud and the possible effect on the financial statements (including misappropriation of cash or other assets). We can, as a separate engagement, perform extended procedures specifically designed to potentially detect defalcations. Management acknowledges that the DDA has not engaged us to do so and does not wish to do so at this time.

Internal Control Over Financial Reporting

We will obtain an understanding of the DDA and its business environment, including the system of internal control, sufficient to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control, or to identify significant deficiencies or material weaknesses in internal control, or to express an opinion on the effectiveness of internal control over financial reporting. Accordingly, we will express no such opinion. However, during the audit, we will communicate to the appropriate level of management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*. These matters refer to significant matters related to the financial statement audit that are, in our professional judgment, relevant to the responsibilities of those charged with governance in overseeing the DDA's financial reporting process. When applicable, we are responsible for communicating certain matters required by laws or regulations, or by additional requirements that may be applicable to this engagement. Auditing standards generally accepted in the United States of America do not require the independent auditor to design or perform procedures for the purpose of identifying other matters to communicate with those charged with governance. Management is responsible for assessing the implications of and correcting any internal control-related matters brought to the DDA's attention by us.

We have identified the following significant risk(s) of material misstatement as part of our audit planning: management override of internal controls, revenue recognition, and the completeness of subscription-based information technology arrangements (SBITAs). However, planning for our audit has not concluded, and modifications to our risk assessment may still be made. If new significant risks are identified during the course of our audit, we will so inform you.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories (if applicable), and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We may request written representations from the DDA's attorneys as part of the engagement, and they may bill the DDA for responding to this inquiry.

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 4

Our audit of the DDA's financial statements does not relieve management or those charged with governance of their responsibilities.

Compliance with Laws and Regulations and the Provisions of Grant Agreements

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the DDA's compliance with the provisions of applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

Assistance provided by our Firm in the preparation of a reasonably adjusted trial balance is considered an additional billable service.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your sole and complete responsibility for designing, implementing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including ongoing monitoring activities; to help ensure that appropriate goals and objectives are met; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with an acceptable financial reporting framework. Management is responsible for determining, and has determined, that the applicable and appropriate financial reporting framework to be used in the preparation of the DDA's financial statements is accounting principles generally accepted in the United States of America.

Management is also solely and completely responsible for making drafts of financial statements, all financial records, and related information available to us, including a reasonably adjusted trial balance, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters, (2) additional information that we may request from management for the purpose of the audit, and (3) unrestricted access to persons within the DDA from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will also require certain written representations from management about the financial statements and related matters.

For the purposes of this letter, related parties mean members of the governing body; board members; administrative officials; immediate families of administrative officials, board members, and members of the governing body; and any companies affiliated with or owned by such individuals.

Management's responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 5

We will advise management (and the Board of Directors, as necessary) about appropriate accounting principles and their application and may assist in the preparation of the DDA's financial statements, but the ultimate responsibility for the financial statements remains with management with oversight by those charged with governance. As part of our engagement, we may propose standard, adjusting, or correcting journal entries to the DDA's financial statements. Management is responsible for reviewing the entries, understanding the nature of any proposed entries and the impact they have on the financial statements, and the implications of such entries on the DDA's internal control over financial reporting. Further, the DDA is responsible for designating a qualified management-level individual to be responsible and accountable for overseeing these nonattest services.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management's responsibilities include informing us of its knowledge of any allegations of fraud, suspected fraud, or illegal acts affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, management is responsible for identifying and ensuring that the DDA complies with applicable laws, regulations, contracts, agreements and grants and for taking timely and appropriate steps to remedy any fraud, violations of contracts or grant agreements, or abuse that we may report.

Management is responsible for the preparation of the supplementary information that is presented fairly in relation to the basic financial statements. Management agrees to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Management's responsibilities include acknowledging to us in the representation letter that (1) management is responsible for presentation of the supplementary information in accordance with GAAP; (2) that management believes the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) management has disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. Management is also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as management's planned corrective actions for the report, and for the timing and format for providing that information.

The DDA is required to disclose the date through which subsequent events have been evaluated, which ordinarily is the date the financial statements were available to be issued. The DDA will not date the subsequent event note earlier than the date of management's written representation letter and the date of our independent auditors' report.

During the course of our engagement, we will request information and explanations from management regarding the DDA's operations, internal control over financial reporting, various matters concerning fraud risk, future plans, specific transactions, and accounting systems and procedures. At the conclusion of our

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 6

engagement, we will require, as a precondition to the issuance of our report, that management provide certain representations in a written management representation letter.

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. As part of the audit, we will assist with the preparation of the DDA's financial statements and related notes. Management will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and that management has reviewed and approved the financial statements and related notes prior to their issuance and has accepted responsibility for them. Management agrees to assume all management responsibilities for any nonaudit services we provide; oversee the services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, and/or experience to oversee any nonaudit services we provide; evaluate the adequacy and results of these or other nonattest services provided by our Firm; and understand and accept responsibility for the results of such services.

We are not hosts for any DDA information. Management is expected to retain all financial and non-financial information that management uploads to a portal (document sharing site), and management is responsible for downloading and retaining in a timely manner anything we upload. Portals are meant as a method only of transferring and sharing data, and are not intended for the storage of DDA information, which may be deleted at any time. Management is expected to maintain control over the DDA's accounting systems to include the licensing of applications and the hosting of said applications and data. We do not provide electronic security or back-up services for any of the DDA's data or records. Giving us access to the DDA's accounting system does not make us hosts of information contained within.

We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management functions or responsibilities.

Fees

Our fee for the audit services for the year ended June 30, 2024 will be charged at rates commensurate with the value of our professional services rendered and are not expected to exceed \$8,200.

Our invoices for these fees are due and payable as follows:

October 31, 2024	\$	4,100
November 30, 2024		4,100

In addition, procedures will be required related to GASB 87, *Leases*, and GASB 96, *Subscription-Based Information Technology Arrangements*, including continued evaluation and updates for existing and new agreements. The exact extent of the additional procedures is unknown, and the additional amount will be billed upon completion of the procedures, if applicable.

This fee is based on the assumption that unexpected circumstances will not be encountered during the audit. This fee is based on anticipated cooperation from the DDA's personnel, continued readiness and proactive assistance on their part in providing us with complete and accurate information (whether financial or nonfinancial in nature) considered necessary by us to form an appropriate opinion, and the assumption that unexpected circumstances will not be encountered during the audit. Such circumstances include, but are not necessarily limited to significant addition or deletion of funds, component units or related entities and first-time application of significant new professional accounting principles or auditing pronouncements. In addition, the fee above assumes management will analyze and maintain appropriate support for significant

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 7

valuation assertions embodied in the financial statements including the valuation of investment securities, the actuarial methods and assumptions used to calculate the net pension and other postemployment benefits liabilities, impairment of capital assets including those held for sale, the valuation of inventories and land held for resale, allowances for uncollectible receivables, and the estimate for incurred-but-not-reported self insurance claims. If significant additional time is necessary, we will discuss the related circumstances with management and arrive at a new fee estimate, which may or may not occur before we incur the additional time. In these circumstances, we may also issue a change order form (an attached example is provided.)

Engagement Administration and Other

Management shall discuss any independence matters with Rehmann that, in management's judgment, could bear upon Rehmann's independence.

By applying a digital signature to this engagement letter or other document via DocuSign or a similar third-party digital signature service, management acknowledges the DDA's consent to receive and execute such documents via this method. Management further acknowledges that a digital signature applied via DocuSign or a similar third-party digital signature service has the same legal commitment as a traditional physical signature.

We will provide copies of our reports to the DDA; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Rehmann and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to a cognizant or grantor agency for audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify management of any such request. If requested, access to such audit documentation will be provided under the supervision of Rehmann personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the cognizant agency, oversight agency for audit, or pass-through entity. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

Our audit engagement and responsibility as auditors ends on delivery of our audit report. Any follow-up services that might be required will be part of a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Government Auditing Standards require that we provide the DDA with a copy of our most recent external peer review report and any subsequent peer review reports received during the period of the contract. Our 2023 peer review report accompanies this letter.

Board of Directors
City of Ann Arbor Downtown Development Authority
March 18, 2024
Page 8

This engagement letter, including the attached Rehmann Audit Engagement Letter Terms and Conditions which are incorporated herein by reference as if set forth within the body of this engagement letter in their entirety, reflect the entire understanding between us relating to the audit services covered by this agreement. This agreement may not be amended or varied except by a written document signed by both parties. It replaces and supersedes any previous proposals, correspondence, and understandings, whether written or oral. The agreements of the DDA and Rehmann contained in this document shall survive the completion or termination of this engagement. If any term hereof is found unenforceable or invalid, this shall not affect the other terms hereof, all of which shall continue in effect as if the stricken term had not been included.

Reporting

We will issue a written report upon completion of our audit of the DDA's financial statements. Our report will be addressed to the Board of Directors of the DDA. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add emphasis-of-matter or other-matter paragraphs to our report, or if necessary, withdraw from this engagement. If our opinions on the financial statements are other than unmodified, we will discuss the reasons with management in advance. If circumstances occur and come to our attention related to the condition of the DDA's records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, or we become aware that information provided by the DDA is incorrect, incomplete, inconsistent, misleading, contains material omissions, or is otherwise unsatisfactory which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

We appreciate the opportunity to be of service to the **City of Ann Arbor Downtown Development Authority** and believe the arrangements outlined above and in the attached Rehmann Audit Engagement Letter Terms and Conditions accurately summarize the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement, please sign the enclosed copy of this document and return it to us.

Daniel B. Clark, CPA
Principal

Rehmann Audit Engagement Letter and Conditions

ADDITIONAL SERVICES - The DDA may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with management regarding the scope of the additional services and the estimated separate fees. We also may issue a change order form (an attached example is provided), or a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our attest services will continue to be governed by the terms of this engagement letter.

CODE OF CONDUCT - Management is responsible for identifying any violations by employees of the DDA's code of conduct.

CHANGES IN STANDARDS, LAWS AND REGULATIONS - We perform services for the DDA based on present professional standards, laws and regulations. While we may on occasion be able to communicate with management with respect to changes in professional standards, laws and regulations, as a general principle we cannot undertake with clients to advise them of every change that may occur. The DDA can always obtain reassurance in this regard by contacting us for an updated review of the DDA's situation.

MANAGEMENT'S REPRESENTATIONS - The procedures we will perform in our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the written and oral representations that we receive from management. Accordingly, false, misleading, incomplete, inconsistent, or omitted representations could cause us to expend unnecessary efforts or could cause material error or a fraud to go undetected by our procedures. In view of the foregoing, the DDA agrees that we shall not be responsible for any material misstatements in the DDA's financial statements that we may fail to detect as a result of false, inaccurate, incomplete, inconsistent, or misleading representations that are made to us by management. In addition, the DDA further agrees to indemnify and hold us harmless for any liability and all reasonable costs, including legal fees, that we may incur as a result of the services performed under this engagement in the event there are false or misleading representations made to us by any member of the DDA's management.

CLIENT ASSISTANCE - We understand that the DDA's employees will prepare all cash, accounts receivable, and other confirmations we request and will locate and refile any documents selected by us for testing. In addition, management will provide us with copies of all minutes and other documents that we believe may have a bearing on our evaluation of the DDA's financial affairs.

WORK SPACE - The DDA shall provide reasonable work space for Rehmann personnel at audit work sites, as well as occasional clerical support services.

TIMELY DECISIONS AND APPROVALS - The DDA understands that Rehmann's performance is dependent on the DDA's timely and effective satisfaction of its own activities and responsibilities in connection with this engagement, as well as timely decisions and approvals by DDA personnel.

ACCURACY AND COMPLETENESS OF INFORMATION - Management agrees to ensure that all information provided to us is accurate, complete, and consistent in all material respects, contains no material omissions and is updated on a prompt and continuous basis. In addition, management will also be responsible for obtaining all third-party consents, if any, required to enable Rehmann to access and use any third-party products necessary to our performance.

EMAIL - The DDA acknowledges that (a) Rehmann, the DDA and others, if any, participating in this engagement may correspond or convey documentation via Internet e-mail unless the DDA expressly requests otherwise, (b) no party has control over the performance, reliability, availability, or security of Internet e-mail, and (c) Rehmann shall not be liable for any loss, damage, expense, harm or inconvenience resulting from the loss, delay, interception, corruption, or alteration of any Internet e-mail due to any reason beyond Rehmann's reasonable control.

OFFERS OF EMPLOYMENT - Professional standards require us to be independent with respect to the DDA in the performance of our services. Any discussions that management has with personnel of our Firm regarding employment could pose a threat to our independence. Therefore, we request that management inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence.

Neither party shall, during the term of this engagement letter and for one (1) year after its termination, solicit for hire as an employee, consultant or otherwise any of the other party's personnel without such other party's express written consent. If the DDA desires to offer employment to a Rehmann associate and the associate is hired in any capacity by the DDA, a market-driven compensation placement fee may apply.

ADDITIONAL FEES AND BILLING POLICIES - It must be understood that the nature of our engagement requires us to exercise our independent professional judgment with respect to various auditing, accounting and related issues. In reaching our conclusions, we must retain the right to judge the nature and scope of the work required in order to conform to professional standards, as well as the work we deem necessary to enable us to reach the conclusions and form the opinions required of us. If our judgment as to the scope of the work required causes us to reassess our estimate of fees for this engagement, we will so advise the DDA. We reserve the right to refrain from performing additional work (and thereby incurring additional time charges) unless and until the DDA has confirmed its understanding of, and agreement to, any additional estimated charges.

Our fee estimate is based upon our discussions with management, in which management has disclosed no unusual problems or issues which would require us to conduct an audit of unusual scope or otherwise expend time and effort in excess of that normally anticipated in an engagement of this type. The estimate also assumes that we will have the full cooperation of DDA personnel, as required, and that there is a reasonable continuity of DDA personnel familiar with the matters to which our engagement relates. In addition, our fee is based on the experience level of our personnel, at their respective standard hourly rates, performing certain audit procedures at certain timeframes. If we are caused to vary from that planning formula, additional fees will need to be charged to allow for more experienced personnel performing the work, reallocation of our client priority, overtime, etc. Further, management will provide us with the schedules and records that we request (which ordinarily are detailed in a request list in advance of our fieldwork) and that all such schedules and records will be provided to us timely in accordance with the scheduled fieldwork dates, to be mutually agreed upon. If the requested schedules and records are not provided to us in accordance with the scheduled dates and we are unable to continue our work, we will attempt to resume our work as soon as the schedules and records are provided to us and our professionals assigned to the engagement again become available.

As a result of well-publicized events, global economic convergence, and the continued evolution of the accounting profession, accounting and auditing standard setters and regulators are continually evaluating the need for changes that may affect the DDA. Such changes may result in changes in financial reporting and expanding the nature, timing and scope of activities we are required to perform to provide the services discussed in this letter. Proposed changes and shortened deadlines could result in a reduction of the level of assistance and preparedness the DDA is able to provide. We expect that our clients may continue to look to us to assist them with these changes. To the extent any changes require us to increase the time required to provide the services described in this letter or to complete new tasks required by such changes, we reserve the right to adjust our fees appropriately. We will endeavor to advise the DDA of anticipated changes to our fees on a timely basis.

In accordance with our Firm policies, work may be suspended if the DDA's account becomes 30 days or more overdue and will not be resumed until the account is paid in full or we have a definitive payment agreement approved by our Firm administrator in Saginaw, Michigan. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. The DDA will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Rehmann Audit Engagement Letter and Conditions

Our terms and conditions impose a late charge of 1.5% per month, which is an annual percentage rate of 18%. Balances not paid within 30 days of the receipt of invoice are past due and a late charge of 1.5% will be applied to the entire past due amount.

Rehmann charges a 3% convenience fee on credit card payments.

CLAIMS - Because there are inherent difficulties in recalling or preserving information as the period after an engagement increases, the DDA agrees that, notwithstanding the statute of limitations of any particular State or U.S. Territory, any claim based on the audit engagement must be filed within 12 months after performance of our service, unless management has previously provided us with a written notice of a specific defect in our services that forms the basis of the claim.

TERMINATION OF SERVICES - We reserve the right to suspend or terminate services for reasonable cause such as failure to pay our invoices on a timely basis or failure to provide adequate information in response to our inquiries necessary for successful performance of our audit services. Our engagement will be deemed to be completed upon written notification of termination, even if we have not completed the audit and issued our signed auditors' report. The DDA is obligated to compensate us for the time expended to that point and to reimburse us for all out-of-pocket expenditures through the date of termination.

We acknowledge the DDA's right to terminate our services at any time, and the DDA acknowledges our right to withdraw at any time, including, but not limited to, for example, instances where, in our judgment, (a) the conditions in the Audit Scope and Objectives section of this letter exist, (b) our independence has been impaired, (c) we can no longer rely on the integrity of management, (d) management (or the Audit Committee, if applicable) fails to reasonably support our efforts to perform the engagement in accordance with what we believe is necessary to comply with professional standards, or (e) a lack of professionalism exhibited by management appears to demonstrate a lack of respect for our personnel such as that evidenced in inappropriate or threatening language/emails, subject in either case to our right to payment for charges incurred to the date of termination or our resignation.

In the event that we determine to resign, and the DDA seeks damages allegedly resulting from such resignation, our maximum liability to the DDA in the event we are held liable because of such resignation shall be limited to the fees actually paid to us for current year audit work performed up to the date of resignation.

INITIAL ISSUANCE OF OUR AUDIT REPORT ON FINANCIAL STATEMENTS - If the DDA intends to publish or otherwise reproduce our audit report on the financial statements and/or make reference to our Firm name, such as for inclusion in an annual report (such as, for example, in a Comprehensive Annual Financial Report), prospectus, official statement, or similar disclosure document, including incorporation by reference thereto, the DDA agrees to provide us with a copy of the final reproduced document for our review and approval before it is distributed, circulated or submitted. Additional fees for issuance or inclusion of our audit report and/or any other reference to our Firm in such other document, will be based on our standard hourly rates.

With regard to electronic dissemination of audited financial statements, including financial statements published electronically on the DDA's Internet Web site, the DDA understands that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

SUBSEQUENT REPRODUCTION OF OUR AUDIT REPORT ON FINANCIAL STATEMENTS - If the DDA decides to include, publish or otherwise reproduce our audit report on the financial statements at a date subsequent to our original report issuance, such as for inclusion in a Preliminary or Official Statement, an exempt offering in connection with a sale of bonds or notes, or other securities, or in a similar exempt offering or other disclosure document such as a prospectus, official statement, etc. (hereinafter referred to as the "document"), our Firm is presumed not to be associated with such document, and we have no obligation to perform

any procedures with respect to such document. In these circumstances, the DDA agrees to include in such document a statement that Rehmann has not been engaged to perform and has not performed, since the date of our audit report being reproduced, any procedures on the financial statements contained in such document or on any unaudited financial or other information contained in the document, or on the document itself. If, however, management or the DDA's agent (such as an underwriter, bond counsel, placement agent, financial advisor, broker-dealer, etc.) requests our involvement, thereby causing us to be engaged to or otherwise prepare a written acknowledgement (sometimes referred to as a "consent" or "agree to include") letter prior to including our audit report in such a document, or requests or engages us to assist in preparing or reviewing financial or other information contained in such document, or participate in related oral due diligence meetings or offering discussions, our Firm then becomes associated with the document. In this event, in accordance with professional standards, we will be required to perform certain subsequent events-based or other limited procedures with respect to this or other unaudited information contained in the document shortly before the initial and any subsequent distribution, circulation, or submission. Fees for reissuance or inclusion of our audit report in such a document will be based on our standard hourly rates. If the DDA wishes to make reference in such a document to our Firm's role in connection with the purpose and dissemination of the document, the caption "Independent Auditors" may be used to title or label that section of the document. In accordance with professional standards, the caption "Experts" should not be used, nor should our Firm be referred to as "Experts" anywhere in the document.

INFORMAL ADVICE - As part of our engagement we may provide advice on operating, internal control over financial reporting and other matters that come to our attention. Informal advice is not considered to be a consulting service unless we have entered into a separate engagement.

THIRD PARTY PROCEEDINGS - As a result of our prior or future services to the DDA, we might be requested or subpoenaed to provide information or documents to management, a court, a trier of fact, or a third party in a legal, investigative, regulatory, administrative, mediation, or arbitration or similar proceeding in which we are not a party. If this occurs, our efforts in complying with such requests will be billable to the DDA as a separate engagement. We shall be entitled to compensation for our time at our standard or special hourly rates and reasonable reimbursement for our expenses (including our legal fees) in complying with this request. For all such requests, we will observe the confidentiality requirements of our profession and will notify management promptly of the request. This paragraph will survive the termination of this agreement for any reason, and will be binding upon successors to the DDA.

PEER REVIEW - Our Firm, as well as other major accounting firms, participates in a "peer review" program covering our audit and accounting practices. This program requires that once every three years we subject our quality assurance practices to an examination by another accounting firm. As part of the process, the peer reviewer will review a sample of our work. It is possible that the work we perform for the DDA may be selected by the peer reviewer for their inspection. If it is, the peer reviewer is bound by professional standards to keep all information confidential. If management objects to having the work we perform for the DDA reviewed by our peer reviewer, please notify us in writing.

PROMOTIONAL MATERIALS - The DDA consents to Rehmann's use of your DDA name and a factual description of the services to be performed by Rehmann under this agreement in Rehmann's advertising and promotional materials and other proposal opportunities.

MEDIATION - If any dispute arises among the parties hereto, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Rules for Professional Accounting and Related Services Disputes before resorting to binding arbitration or litigation. Costs of any mediation proceeding shall be shared equally by all parties.

GOVERNING LAW - This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, without regard to the principles of conflicts of law thereof.

EXAMPLE CHANGE ORDER

Client: *City of Ann Arbor Downtown Development Authority* (the "DDA")

Date:

Project Description (and estimated completion date, if appropriate):

Estimated Additional Fees: \$ _____

We believe it is our responsibility to exceed the DDA's expectations. This Change Order is being prepared because performance by us of the above project and/or additional service efforts was not anticipated in our original Agreement dated _____. The estimated fees for the above project have been mutually agreed upon by the DDA and Rehmann. It is our goal to ensure that the DDA is never surprised by the price for any Rehmann service and, therefore, we have adopted the Change Order Policy. The estimated additional amount above is due and payable upon completion of the project described.

If management agrees with the above project description and the estimated fee amount, please authorize and date the Change Order below. A copy is enclosed for the DDA's records. Thank you for letting us serve the DDA.

Report on Firm's System of Quality Control

August 30, 2023

To the Principals of Rehmann Robson LLC
and the National Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Rehmann Robson LLC (the firm) applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2023. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a system review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported on in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing and complying with a system of quality control to provide the firm with reasonable assurance of performing and reporting in conformity with the requirements of applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported on in conformity with the requirements of applicable professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of and compliance with the firm's system of quality control based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act, audits of employee benefit plans, an audit performed under FDICIA, and an examination of a service organization (SOC 2 engagement).

As a part of our peer review, we considered reviews by regulatory entities as communicated by the Firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Rehmann Robson LLC applicable to engagements not subject to PCAOB permanent inspection in effect for the year ended March 31, 2023, has been suitably designed and complied with to provide the Firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Rehmann Robson LLC has received a peer review rating of *pass*.
