Subject: zoning appeal for 2117 Brockman Blvd

To whom it may concern,

My property is neighbors to 2117 Brockman. My property is 2120 Washtenaw. We understand that a small section of the addition on 2117 Brockman is out of zoning compliance. I want it to be known that I have inspected the addition and am in complete support of it in its current form. It is an improvement to the home, the neighborhood, as well as my property. I hope you approve the variance.

Sincerely,

Daniel Weiser
