Hello,

I am writing as a concerned citizen of Ann Arbor's River Hop neighborhood regarding plans to potentially build student housing off of Pontaic Trail.

I am concerned about the traffic that this will generate to the area -- an already very busy place in the mornings and at rush hour. I also believe this will greatly disrupt the neighborhood setting that we all live in and enjoy. It doesn't seem appropriate to introduce student housing to this area. I respectfully request that plans be stopped and not continue for this housing development by Trinitas Ventures.

I would be happy to discuss my concerns further. Please don't hesitate to reach out if you have any questions.

Warm regards,
