You don't often get email from [REDACTED]. [Learn why this is important](#)

This message was sent from outside of the City of Ann Arbor. Please do not click links, open attachments, or follow directions unless you recognize the source of this email and know the content is safe.

Following this month's discussion about our Vision Zero progress and recommendations from Transportation staff, I'd like to share this information about automated traffic enforcement (ATE) from the Fines and Fees Justice Center.

The overarching idea is to **ensure that if ATE is implemented, it is with the express goal of road safety rather than revenue generation.**
