Transportation Commissioners,

A few announcements I want to bring to your attention in advance of our next meeting:

- Capital Improvement Plan – A new CIP is developed every other year. In the intervening year, there are minor adjustments made to the program to reflect any known changes to existing projects or inclusion of new projects which may have garnered funding (such as grant awards). We are in one of those intervening years and the proposed updated CIP and support materials can be found here: <https://www.a2gov.org/departments/systems-planning/programs/Documents/CIPDocForHearing.pdf>. There will be a public hearing on the document on December 7th at the regularly scheduled Planning Commission meeting.
- Earhart Public Engagement reminder – There are 2 public engagement opportunities tomorrow at noon and 6pm for Earhart (from Greenhills to US-23). Attached is the postcard announcement.

Cheers,
Raymond
