Subject: Comments for the public hearing of Medical Marijuana Provisioning Center at 2793 Plymouth Rd

For whom this concerned,

This is Lin from Evergreen Restaurant located at 2771 Plymouth Rd, Ann Arbor.

We just got the notice for the public hearing for Medical Marijuana Center, and we would like to share some thoughts with you.

Generally, we don't agree with to do the Medical Marijuana Center at this community.

Our plaza located at North Campus of UM, so basically we are sounded by young people and families, which means there are amount of children and teenagers living in this area. There are also some art studios, game playing center and tutorial school in our plaza serving them; in addition, the plaza has already existed 2 businesses with liquor license, and still have another liquor store. we don't think this is an appropriate place for this Medical Marijuana. More importantly, the parking lot in our plaza used to happened illegal drug trade, which made us really concern about this. We have to be pretty strict about this Medical Marijuana Center.

Please feel free to email back if you have any other concerns.

Have a great day.

Best,

Lin Zhu
