Hello,

I am writing about ZBA23-0026 at 526 Detroit St and would like to issue my strong notice of approval. I recently attended the "[House Party](#)" raising awareness for housing challenges and had a chance to tour [several ADUs](#) around Ann Arbor. I was incredibly impressed by what I saw and feel that it solves a real problem in the city. I'd like to see the city encourage and support more owners to build them and neighbors should celebrate this type of work. It increases housing supply and affordability and all ADU projects in Ann Arbor will have my full support.

This type of project could pave the way for similar projects to take place and it's in the perfect neighborhood that is accessible to campus, downtown, etc. Thank you for your consideration.
