Hi,

My name is Hannah Bodnar and I am a staff reporter for the University of Michigan's newspaper, *The Michigan Daily*. I'm writing a story about the North + South Passenger Rail Project, and would love to interview a knowledgeable city official about Ann Arbor's involvement in this project and its potential impacts on the local community. If your department isn't involved in this project, let me know if you're aware of a group who is.

The interview would take place sometime before next Wednesday, February 18th, and can be held via phone call, Zoom, or in-person.

Thank you and please let me know if you have any questions!

Best,  
Hannah Bodnar
