Subject: Preparing for our Annual Meeting on October 11

Dear EDC Board of Directors,

It is with bittersweetness that I share the news that my husband Tim and I have decided to relocate to the East Coast to be closer to our adult children and Tim's parents. We came to Ann Arbor in 1996 as new parents, and found that, yes indeed, Ann Arbor is a great place to work, play and raise a family. But our time here will take on a new dimension. Tim will continue his role at Arboretum Ventures primarily remotely, so we do anticipate several visits back to Ann Arbor.

That said, we close on the sale of our condo at the end of October. Because I will no longer be a resident of Ann Arbor, or Michigan, I must resign my position as President of the Economic Development Corporation effective at the close of our Annual Meeting. In the meantime, I am preparing a slate of Executive Committee members and will contact current EC members directly to discuss your interest in continuing your role or taking on a new one.

Thank you all for the opportunity to be your EDC colleague and collaborator. I anticipate great things to come!

With gratitude,

Sally Hart Petersen
