- A. The Michigan Zoning Enabling Act (P.A. 110 of 2006, as amended) allows for conditional zoning of land when the City is amending its zoning map, or a conditional zoning of land when the City is zoning property in MCL 125.3405.
- B. The City of Ann Arbor recognizes that there are certain instances where it would be in the best interest of the City, as well as advantageous to the Developer, for certain conditions to be proposed as part of a request for rezoning or a request for an amendment to the zoning map.
- C. On December 30, 2025, the Developer applied for an amendment to the City zoning map for land in the City of Ann Arbor to be site planned, as more fully described in the attached **Exhibit A** (the “Property”).
- D. On June 18, 2026, the Developer voluntarily offered in writing conditions regarding the use and development of the land to be incorporated into the zoning of the Property.
- E. On May 5, 2026, the Planning Commission, after public hearing, recommended approval to rezone the Property to C2B (Business Service District). The Developer also submitted an Area Plan showing the specific proposed use and conceptual site design of the property.
- F. On _____, the Ann Arbor City Council approved rezoning the Property to C2B With Conditions, adopting and incorporating 3785 Varsity Drive, Conditional Zoning Statement of Conditions, as Ordinance _____.
- G. Based on the specific facts and circumstances regarding this Property, the City has decided to accept the Developer’s offer conditions.
- H. By executing this Statement of Conditions, the City and the Developer desire to set forth and confirm the conditions under which the City grants conditional zoning of this Property.

NOW, THEREFORE, Developer and City agree:

1. Conditions Running with the Property. This Statement of Conditions covers the Property described in the attached **Exhibit A**. The Statement of Conditions is incorporated into the zoning of the Property and shall be binding upon and inure to the benefit of the Developer and the City, and their heirs, successors and assigns, and shall run with the Property.
2. List of Conditions. The conditional zoning was granted to the Developer based on conditions that were voluntarily offered by the Developer. The City and Developer agree that restrictions on the use and development of the land are necessary for consistency and conformance to the Comprehensive Plan. The conditions which form the basis of the City's grant of the conditional zoning are as follows:
 - a. Short-term Rentals, as defined in the Unified Development Code, are prohibited.
3. Developer Acknowledgment. Developer acknowledges that it voluntarily offered and consented to all of the provisions contained in this Statement of Conditions. Developer agrees that the conditions contained herein are fair, reasonable and equitable requirements and conditions; agrees that the Statement of Conditions does not constitute a taking of property for any purpose or a violation of any constitutional right; and agrees to be bound by each and every provision of this Statement of Conditions. Furthermore, it is agreed and acknowledged that any improvements and undertakings described herein are necessary and roughly proportional to the burden imposed by the conditional zoning, and are necessary to ensure capability with adjacent and surrounding uses of land; to promote use of the Property in a socially and economically manner; and to achieve other legitimate objectives of the City authorized by law.
4. Authority to Execute. This Statement of Conditions has been authorized by all necessary action of Developer, and Developer acknowledges that it is the owner of the Property or has been authorized by the owner to conditionally zone this Property. Furthermore, the signatory for Developer acknowledges they are authorized to enter and execute this Statement of Conditions on behalf of Developer, and bind the Developer to its terms.
5. City Approval. The Statement of Conditions and the City's approval of these conditions is based on the particular facts and circumstances presented, as well as the surrounding land uses and other characteristics regarding this property, and approval of these conditions for this Property may not be relied on as precedent by any other property owner seeking a conditional zoning.

6. Obligation to Obtain Other Approvals. Developer acknowledges that any use or development approved by this conditional zoning that may require a special land use permit, a variance, or site plan approval under the terms of Ann Arbor City Code, may only be commenced if such special land use permit, variance, and/or site plan approval is ultimately granted in accordance with the terms of Ann Arbor City Code.
7. Amendment. This Statement of Conditions may only be amended in the same manner as prescribed for a rezoning of property under the terms of Ann Arbor City Code.
8. Compliance with Statement of Conditions. Developer shall continuously operate and maintain the development and/or use of the Property in full compliance with all of the conditions set forth in this Statement of Conditions. Any failure to comply fully with the conditions contained with the Statement of Conditions shall constitute a violation of the Zoning Ordinance of Ann Arbor City Code, and shall be punished accordingly. Any such violation shall be deemed a nuisance per se and subject to judicial abatement, or any other remedy as provided by law.
9. Rezoning. Developer acknowledges that nothing in this Statement of Conditions shall prohibit the City from exercising its right to rezone the property at any time as allowed by law. The City acknowledges that nothing in this Statement of Conditions shall prohibit the Developer from requesting a rezoning of the Property at any time.
