Hi Michael and Jerry,

I'm reaching out to you both to let you know that after lengthy consideration I've come to the conclusion that it's time for me to resign from the Board of Review. I've enjoyed working with both of you, and with the other board members and staff over the past 11 years that I've been on The Board. But, due to a combination of personal and work obligations I've decided that it's time for me to step aside and make

room for a new member to join. Let me know if I can do anything to help identify a replacement, or if there's anything I need to do to make my resignation official with The City/Board.

Regards,

Curt
