**Subject:** Change in zoning

City Council,

This is Ryan and Devon Shuchman residents at 809 Hewett Dr, Ann Arbor, MI 48103 in the Eberwhite neighborhood.

Please register this email as our vehement objection to any change in the local zoning in particular the "upzoning." We do not want any mini condo buildings or apartment buildings in our neighborhood. There is no room for the additional traffic or parking. You were not elected to ruin our neighborhoods and we insist you take no action toward doing so.

Thank you,

Ryan and Devon
