Thank You for Renewing ...

Dear City Clerk Beaudry,

Thank you for continuing your membership with the National League of Cities (NLC). Together we represent a significant voice and as a group we make a positive difference. By renewing your membership, your city shows its dedication to our cause – to strengthen and promote cities as centers of opportunity, leadership and governance.

We are working very hard on your behalf to enhance the municipalities in which we live and work. During the year ahead we intend to continue demonstrating the value of NLC membership through tangible and intangible benefits. You can continue taking advantage of your membership by sharing ideas and best practices, staying up-to-date with the latest programs and legislation, accessing resources and using money-saving solutions for your community. Most importantly,

- Make sure you connect on myNLC – your secure online community where members can manage their profile, register for events and webinars, subscribe to newsletters, connect to groups in which they participate, and access a variety of web offerings. Visit <https://my.nlc.org/eweb> to create your online profile and get connected to your colleagues across the nation.
- Volunteer with US! One of the best ways to start connecting and networking is to volunteer! Contact our Member Relations team about current opportunities or visit the member center at <http://www.nlc.org/member-center>.
- Attend workshops and webinars – check the calendar on NLC's website for the latest offerings. If you can't make an event, find recorded programs and webinars through myNLC!
