RE: 1302 Prescott - ZBA review

City of Ann Arbor

Zoning Board of Appeals

Dear Board Members,

We are emailing in support of a 3' front porch variance at 1302 Prescott Ave. It is our opinion that this project will improve both the aesthetics and property values of our neighborhood.

Please approve the variance to permit the porch enlargement.

Please feel free to contact me directly with any questions.

Thank you,

Michael and Noelle Todd
