

Payment Terms

As part of its proposal for each project, Contractor will submit a quote responsive to the unique identified needs of the individual project. Each proposal will be evaluated based on costs, timeframe to completion, and labor allocated to the task. There are multiple authorized contractors that will submit quotes and the City will choose the winning vendor based on the aforementioned information. Each approved proposal will then be attached to a Work Statement pursuant to this Agreement and in compliance with the authorized not to exceed amount.
