Dear Mr. Hijazi:

A Dangerous Building Notice and Order, a copy of which is enclosed and made part of this Order to Show Cause, was served on you on the date indicated informing you that the building that you own and/or have an interest in at the above-referenced address is a dangerous building, as defined in Section 8:382 of the Ann Arbor City Code. Your building was deemed dangerous pursuant to the provisions listed in the enclosed Notice and Order due to the conditions listed therein.

At the hearing you will have an opportunity to show cause why you should not be required to demolish or otherwise make safe the building at the above-referenced address, which is more specifically described as follows:

The Building Board of Appeals will take your testimony and the testimony of any other interested persons. Please bring any evidence you wish to submit to the Board.

Re: 2001 Commerce Dr., Ann Arbor, Michigan

Dear Mr. Hijazi:

Records of the Ann Arbor City Assessor and the Washtenaw County Register of Deeds indicate that you are the owner of the property located within the City of Ann Arbor at the above-referenced address. The property is more fully described in the Assessor's Records as follows:

LOT 28 BEDFORD BUTTNER COMMERCIAL SUBDIVISION

This letter is to provide notice that the City finds that the buildings on the property are dangerous buildings as defined in provisions of **Section 8:382** of **Chapter 101** of the Ann Arbor City Code, including but not limited to subsections 2, 5, 7 and 9. A copy of Chapter 101 is enclosed. Specific defects that render the buildings dangerous include, but are not limited to, the following:

- The buildings are damaged by deterioration so that they are structurally compromised, do not meet the minimum requirements of applicable codes, and may injure persons or damage property.
- The buildings are open to the elements, such that they constitute an attractive nuisance to children and to others for unlawful purposes.
- See enclosed photographs.

It is requested that you contact the Building Official by the end of the business day on October 27, 2015 to discuss your intentions for demolishing or repairing the buildings.

If there are any other parties known to the City who may have an interest in your property, a copy of this Notice and Order is being sent by certified and first class mail to the addresses indicated below.

Failure to respond and/or to remedy the violations will result in a recommendation for you to appear at a future meeting of the Building Board of Appeals.

Because of the immediacy of these health and safety concerns, it is highly recommended that a dialogue be initiated at the earliest instance between the property owner/parties in interest and the Building Official. I can be reached by email or telephone.

Sincerely,
