Subject: Foot on the Gas

I hope this election was a wake-up call. As I'm sure you saw from yard signs, this was a proxy referendum on a bold CLUP, and it won in a landslide. The squeaky wheels didn't even win a single *precinct*. You'll never be able to please everyone, so instead of pleasing no one, please start doing what you know is right, and bring us voters the real change that we are demanding.
