Dear Courtney,

Thanks so much for reaching out with this update. I won't be able to attend today's meeting, so I'm hoping you can share my support for this project with the Planning Commission.

My family lives just west of the site. We strongly support sustainable, urban development in the community. Preserving Kerrytown as a vibrant mixed-use neighborhood requires building more housing and bringing in more residents and visitors, who can support local businesses on weekdays when the Farmer's Market is closed.

Ideally, this development would have less parking, more units, and include commercial space. It could be denser and taller. Even so, this is an important investment for the neighborhood. I urge the Commission to approve it.

Thank you,

Daniel Rosenbaum
