**Subject:** Re-zoning is an urgent priority

I am a homeowner in Ward 2.

Once the CLUP is passed in the next month or so, I urge you to treat re-zoning as an urgent priority, and to focus on quick zoning changes for the areas defined as "Hub" and "Transition" zones in the CLUP.

If we wait multiple years to redefine the entire code, that is too many years that my friends and coworkers are priced out of housing in this area.
