Subject: Support for 3-year rezoning approach

Ann Arbor City Planning Commission,

My name is James Weir and I live on Gott St. on the west side.

I am writing to ask you to adopt an implementation plan like the one proposed by Commissioner Adams. Our housing crisis grows more acute every day and we have to act as quickly as possible. Any delay causes harm to many who cannot afford to live here but who we rely on for essential services in the city, and the sooner we start righting the historical wrongs of harmful and exclusionary zoning the better. More housing will make for a more vibrant, affordable, and equitable Ann Arbor.

Thank you for serving our city.

James Weir
