The waiver of any breach by any party to this Agreement shall not waive any subsequent breach by any party.
- B. The City may terminate this Agreement, on at least 30 days' advance notice, for any reason, including convenience, without incurring any penalty, expense, or liability to Contractor, except the obligation to pay for Services actually performed under the Agreement before the termination date.
- C. Contractor acknowledges that if this Agreement extends for several fiscal years, continuation of this Agreement is subject to appropriation of funds through the City budget process. If funds are not appropriated or otherwise made available, the City shall have the right to terminate this Agreement without penalty at the end of the last period for which funds have been appropriated or otherwise made available by giving written notice of termination to Contractor. The Contract Administrator shall give Contractor written notice of such non-appropriation within 30 days after the Contract Administrator has received notice of such non-appropriation.
- D. The expiration or termination of this Agreement shall not release either party from any obligation or liability to the other party that has accrued at the time of expiration or termination, including a payment obligation that has already accrued and Contractor's obligation to deliver all Deliverables due as of the date of termination of the Agreement.

12. REMEDIES

- A. This Agreement does not, and is not intended to, impair, divest, delegate, or contravene any constitutional, statutory, or other legal right, privilege, power, obligation, duty, or immunity of the parties.
- B. All rights and remedies provided in this Agreement are cumulative and not exclusive, and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently be available at law, in equity, by statute, in any other agreement between the parties, or otherwise.
- C. Absent a written waiver, no act, failure, or delay by a party to pursue or enforce any right or remedy under this Agreement shall constitute a waiver of that right with regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either party shall subsequently affect the waiving party's right to require strict performance of this Agreement.

SECTION II - SCOPE OF SERVICES

A. Objective

The City of Ann Arbor, Michigan, is requesting proposals from a mechanical contractor to remove and replace the side profile baffles on screw pumps #4 and #5 at the Water Resource Recovery Facility (WRRF) Raw Sewage Lift Station.

B. Background

The screw pumps are located at the Raw Sewage Lift Station consisting of 5 total screw pumps that draw from a common wet well. WRRF staff can isolate the work areas via sluice gate.

The WRRF had Spaans-Babcock assess the condition of the screw pumps in May 2024. In the assessment they identified the side profile baffles on screw pumps #4 and #5 were in poor condition. Upon receiving the report WRRF staff purchased the side profile baffles replacement from Spaans Babcock. The baffles consist of 8 pieces that are 4.9ft x 2.6ft weighing approximately 85lbs-100lbs and 2 pieces that are 2.8ft x 2.6ft weighing approximately 50lbs – 70lbs for each pump. Wedge style concrete anchors have been provided along with the material.

C. Requirements

In coordination with the WRRF staff.

1. Remove and dispose of existing side profile baffles on screw pumps #4 and #5.
2. Install new owner provided screw pump side profile baffles on screw pumps #4 and #5.

D. General Safety Requirements

The Contractor shall be responsible for ensuring compliance with the most stringent provisions of the applicable statutes and regulations of the Michigan Occupational Safety and Health Act 154 of 1974, the Occupational Safety and Health Act of 1970, and all City of Ann Arbor safety policies. The Contractor shall supply all these requirements to any subcontractor performing work under the contract. Should charges of violation of any of the above be issued to the Contractor in the course of the work, a copy of each charge shall be immediately forwarded to the City along with a plan to correct the violation.

Upon the failure of the Contractor to comply with any of these requirements, the City's Representative shall have the authority to stop any and all operations of the Contractor affected by such failure until such failure is remedied. No part of the time lost due to any such stop orders shall be made subject to a claim or extension of time or increase in compensation.

All materials, equipment, and supplies used for projects under this contract with the City of Ann Arbor must comply fully with all safety requirements as set forth by the Michigan Occupational Safety and Health Act 154 of 1974 and all applicable OSHA Standards.

E. Standard Specifications

All work under this Contract shall be performed in accordance with the City's Standard Specifications in effect. All work under this Contract which is not included in these Standard Specifications, or which is performed using modifications to these Standard Specifications, shall be performed in accordance with the Detailed Specifications provided during the implementation of individual tasks under this Contract. Copies of the Standard Specifications can be downloaded from the following web link.
