**Subject:** A2 Land Use Plan - my vote

Good morning.

It's my understanding that the public won't have an opportunity to vote on the upcoming Comprehensive Land Use Plan.

If that's the case then I will vote through my 4th Ward elected representative and our elected mayor.

This Ann Arbor taxpayer votes 'Heck no!'.

For such a long-term and significant change to our neighborhoods, I am presuming that the city will honor the wishes of the majority and I look forward to reading about which citizens were polled along with their position on the matter.

Thanks,
