Subject: ZBA meeting, 1103 W Madison

Mr. Barrett -

We are homeowners at 619 Eberwhite Blvd., and live across the street from the Dobson's at 1103 W Madison. We are on a corner lot, our address is Eberwhite Blvd, but our outdoor patio, as well as the yard where our kids play, are both on W Madison.

We agree with the Dobson's plan to add a front porch to their home on Madison, understanding it will reduce the setback from the sidewalk. I have always been envious of Crest Ave. residents and their culture of front porches and spending time outside with neighbors. We spend a considerable amount of time in our side yard bordering Madison and enjoy seeing and interacting with neighbors. The Dobsons are extremely considerate, friendly, and part of the community of families living on the street - a front porch would be a great addition to their home.

Thank you,

Jenna Munson and Greg Dick
