Hi Don and Tiffany,

I hope you all are doing well! I must apologize for the absences, the past few months have been particularly tumultuous as I am transitioning to a phase of my PhD in which I'm working on writing and defending my thesis work. Due to my other commitments, I will need to resign from the position.

Thank you for the opportunities to work with you all, I've really enjoyed my time with the folks in the Elizabeth Dean Fund Committee!

My best,

Ravi,

I hope things are well. We had our Dean Committee meeting on Tuesday and I am sorry that you were not able to attend. City staff has noted that you have missed a number of meetings. Our by-laws state that if you miss more than 3 regularly scheduled meetings in a 12 month period, then the City can consider alternative arrangements.

I am asking if you still intend to be part of the Committee and if you are able to attend future meetings? We appreciate your contributions and you are a valued member of our group. I am sure you understand our needs to maintain regular

quorums and attendance. Let me know your thoughts on future attendance or if your other commitments require possible resignation. Thanks,

Don Wortman,  
Chairman, Dean Committee
