2022 Construction Projects

Annual Street Resurfacing Project

This suite of projects encompasses the majority of the City's street resurfacing activities and includes some asphalt path resurfacing. Local resurfacing work in 2022 will occur primarily in the area bounded by Miller, Maple, Jackson, and Huron. Resurfacing of various segments of asphalt paths is also included. The complete list of streets included in the 2022 program is posted on the [project website](#).

Scio Church Road (Maple to Seventh)

The project includes watermain and stormwater work, resurfacing, installation of bike lanes, new sidewalk, and crosswalks. More information is available on the project [website](#). Some delays in the plan review process with MDOT have been experienced, which has now caused the start of construction activities to move to summer of 2022.

Platt Road

This is a Federal aid project the consists of the resurfacing of Earhart Road between Geddes and Greenhills Drive. The project scope includes resurfacing, watermain replacement work and pedestrian improvements. Final plans have been submitted to MDOT for review. Construction is scheduled for summer 2022.

Earhart Road

This is a Federal aid project the consists of the resurfacing of Earhart Road between Geddes and Greenhills Drive. The project scope includes resurfacing and the addition of bike lanes. This project has been delayed due to requirements related to the Federal funding but is anticipated to be constructed in the summer/fall of 2022.

Projects Currently in Design/Planning

E. Medical Center Drive Bridge

On March 7, 2022, City Council approved an amendment to DLZ's contract to design and provide a construction cost estimate for the east-west pathway under the E. Medical Center Drive bridge.

Other Updates and Information

Streetlight Implementation

New streetlights were installed on Baylis (near 3264/3265 Baylis), on Stone School (Eisenhower to I-94), at S. Main/Hoover, at S. Main/Davis, at Barton/Chandler, at Barton/Long Shore, at Barton/Northside, and at S. State/Michigan Union. 310 streetlight outages have been addressed to date by DTE in 2022. Additionally, work continues on streetlight maintenance which paints, replaces, or performs other preventive maintenance work on existing City-owned streetlights to ensure operability.

American Rescue Plan Act Funding

City Council approved the projects which will receive federal COVID relief funds through the program known as the "American Rescue Plan Act" (ARPA). Included in this slate of projects is \$2M for Vision Zero Plan Implementation. More information is available on the [ARPA project website](#)
