Subject: Comprehensive Land Use Plan Draft 3

Hello Commissioners

I am once again writing in support of the proposed new Comprehensive Land Use Plan in Ann Arbor. Though it is a bit disappointing to see some of the more recent push back and restrictions added on the residential category I am still 100% behind this upzoning plan. Cities change and grow as time passes regardless of what residents want or desire. This plan gives us an opportunity to direct how we can help Ann Arbor grow in a way that is both sustainable and affordable.

Please do not make any further amendments to the plan. I look forward to seeing it implemented as is.

Thanks,
Ann Arbor Resident, Matt Knudtson
