Hello Planning Commission,

I strongly oppose the rezoning of this parcel for the proposed multi family development.

The development does not fit in with the adjacent condos and townhomes or the residential homes along Ann Arbor Saline Road.

It would be an absolute eyesore in this location.

Please do not approve this rezoning request.

Thank you,
Wayne Schreck
453 Sumark Way
25 year residency at this address and life long Ann Arbor resident.
