**Subject:** Support of Comprehensive Plan

Hello,

My name is Henry Schnaidt, and I'm a resident of Ann Arbor. I wanted to thank the planning commission for their work on updating the comprehensive plan, and express my support for the plan, especially the sections calling for zoning changes to increase densification and make affordable housing more accessible. I strongly support all efforts to make Ann Arbor more sustainable, resilient to the impacts of climate change, and carbon neutral as well.

Thank you,  
Henry Schnaidt
