Mia, would you add this to the October or November HDC agenda, with those two policy agendas as examples? Seems like supporting state efforts to renew the Historic Preservation Tax Credit would be applicable. Also, digging out a previous statement in support of the tax credit should go on the same agenda.

**Subject:** Boards and Commissions - Policy Agenda Items for FY21

Good Morning Everyone,

With the planning process for the FY21 Policy Agenda kicking off, the [City Council Policy Agenda Committee](#) is required to identify items from boards and commissions to help prioritize initiatives. Please work to get a policy agenda discussion on an upcoming agenda for the group you support. Because the final policy agenda must be presented to City Council for approval by March and because the Policy Agenda Committee needs time to review the responses from boards and commissions, please send any responses from the boards, commissions, or committees you work with directly to me no later than December 16, 2019 for consideration.

For examples, see the adopted [FY19 Policy Agenda](#) or [FY20 Policy Agenda](#).

Best,  
Kelly
