

A2 Vision Zero Committee: Implementation Plan Consultant Search
Wednesday, September 15

Now that we have a new, ambitious Vision Zero transportation plan, developed with the help of Sam Schwarz consulting, an additional consulting contract was proposed, to aid in the implementation of the plan. The call for proposals emphasized a tight time frame with the constraint that some funds were allocated to be used in the 2022 fiscal year (which ends in June 2022).

I served on the interview committee. We received 3 proposals of sufficient quality that we elected to interview all three. As part of the process, each member of the committee contributed questions to be addressed by the applicant teams. After the 3 interviews, the committee met twice more to discuss the outcome.

We selected Sam Schwarz/Smith Group as our preferred team.
