Dear Ms. Rolla:

We the undersigned are homeowners along a portion of Riverview Drive that is immediately adjacent to Geddes Avenue and currently part of the Ann Arbor Township. We had been very hopeful that the upcoming 2015 City of Ann Arbor Geddes Avenue Project would include extending sanitary sewer and water service along Riverview and were very disappointed to learn recently that this would not be the case. However we were encouraged to learn from you that Riverview is still on the city's project list and that scheduling of the project will be a topic of upcoming planning meetings.

With the intent of providing concrete encouragement to the City of Ann Arbor to schedule the Riverview Project in the very near future, preferably as soon as 2016, we write here to affirm that three of us (Barry/Wilson, Allen, Wade) would seek annexation to the City as soon as sewer and water services along Riverview are put in place, and that one of us (Miller) likely would do so also.

Sincerely,

Dan Barry and Kay Wilson, 614 Riverview Drive

 

Angela Miller, 615 Riverview

James and Catherine Allen, 595 Riverview Drive

 

John and Christine Wade, 559 Riverview Drive
